

# MEHMAAN

The journey of creating this collection began amidst intimate spaces of four extraordinary boutique hotels and nine unique F&B destinations part of Marriott properties.

In every moment captured, I sought to honor the essence of Mehmaan—the guest—whose presence defines the very heart of hospitality. Each photograph reflects the art of welcoming to the quiet elegance of a perfectly curated space, crafted to make every Mehmaan feel valued.

This book is not just a showcase of my work but a celebration of the timeless art of hosting, where every detail tells a story of warmth, luxury, and connection.
